

A stylized illustration of a city street scene. The street is lined with multi-story buildings on both sides. In the background, a tall, pink, conical tower (resembling the CN Tower) rises into a light blue sky. Strings of colorful, glowing circles (pink, orange, blue) are strung across the street. In the foreground, there are silhouettes of people walking and standing, some holding drinks. There are also orange and blue umbrellas, suggesting outdoor seating or stalls. The overall color palette is dominated by shades of blue, pink, and orange.
